

Map Presentation

Posters are invited from students of schools and colleges. Each student will be given space to display his/her map or poster within 3×2½ ft space.

Themes

For school students:

- Map your School

For college level students:

- Map your locality

Award/Certificate of participation

To encourage excellence in research / innovation, the best posters in each level will be awarded by certificates and medals. Each and every student will get certificate of participation.

Guidelines

- Posters already published or presented elsewhere including prize winning posters will not be accepted.
- Plagiarism of any kind is ground for disqualification.

- Authors have to specify the discipline to which the poster belongs.
- A panel of domain experts will review the posters based on originality, utility to society and quality of presentation.
- Teachers of all schools and colleges are requested to select three maps from their centres. Three students along with teachers or guardians may attend the seminar and competition.

Registration Fee

There is no registration fee to participate in this poster competition.

Last date of submission of the Poster is 21 March 2018.
